Father & Son Basketball Tournament Fundraiser

Fundraiser planned for 6-26-2021

The City of LaGrange Housing Authority, West Georgia Star & and the Boys & Girls Club of West Georgia - We are pleased to announce that we are hosting a Father & Son Basketball Tournament Fundraiser on Saturday, June 26th, 2021, starting at 10 am at the Revis St Basketball court in LaGrange Ga 30241.

This basketball tournament will line up with HUD's Fatherhood Initiative to show that fathers are involved in their kids' lives and strengthen family bonds. The Father & Son Tournament will continue as an annual event in June going forward. We will have music, food and other games for families to enjoy as well. Also, Omega Psi Phi Fraternity Inc. will host their annual Blood Drive and Voter Registration in conjunction with the Father & Son Basketball Tournament. There is a \$25.00 registration fee to play in the tournament; please stop by 201 Chatham St LaGrange, Ga, to fill out a form. Proceeds from the fundraiser will go to the Boys & Girls Club of West Georgia.

Chad Cooper, Director of Development and Marketing, added, "We would love to have the entire community come out and join us. Since 2015 we have hosted other successful Fatherhood Initiative events, from formal sit-down dinners with guest speakers to family fun days. Even if the father can not make it to the event because he may be working, still bring your son out. We will have Duplicate Dads to stand in and play."
