## **Sabrina Allen, New Executive Director of the Boys and Girls Club of West Georgia.**

**The City of LaGrange Housing Authority-** We are pleased to announce that Sabrina Allen will take over the helm of the Boys and Girls Club (B&GC) of West Georgia but will now be called the B&GC of West Georgia Star. With the B&GC being located within one mile of West Georgia Star (WGS) at the LaGrange Housing Authority, it only made sense for the two organizations to form a partnership and combine services for the kids of West Georgia.

Sabrina Allen is the Residential Services Director at The City of LaGrange Housing Authority, where she leads a team of service professionals in WGS. Under the leadership of Sabrina, WGS now has the prestigious title of an EnVision Center from the federal department of Housing and Urban Development, which handles all services for not only each property that LHA manages but the community as a hold. Sabrina holds a unique talent for bringing the best out of people. This skill gives people the passion for finding something extra inside of them that they didn't know they had, which will take them to the next level in their evolution. She enjoys working with a diverse community to help people to grow in every phase of their lives.

Sabrina is a graduate of LaGrange High School. She attended West Georgia Technical College, where she received her Information and Office Technology degree. Sabrina also gained her CBA, Credit Business Associate from the Atlanta Business Institute. Before joining the City of LaGrange Housing Authority, she worked at Interface Americas for over 20 years.

Chad Cooper, Director of Development & Marketing, stated that "With both entities having stellar reputations both locally and nationally, it seems right not to duplicate services and compete for the same resources within the area and come together."
